

LETS YARN UP HEPATITIS C ORDER FORM

Please fill in the form below and fax to Dina at:

9515 5182

Sydney South West Area Health Service and Aboriginal Medical Service, Redfern have collaborated to produce a Hep C poster that encourages Aboriginal people to ask questions about Hep C. A Blank box at the bottom of the page has been included for organisations to put their local Hep c clinic, education group or a culturally appropriate service that can provide information about Hep C, testing and treatment.
