# GETTING STARTED

HEP CONNECT PROGRAM

1 DOWNLOAD THE APP

Perx is available for free download from the **Apple App Store** (iPhone & iPad) or from **Google Play Store** (Android). Search Perx health, look for the logo & install the app

2 CREATE AN ACCOUNT

Open the downloaded Perx app and choose how you would like to login into your account.
(Note: whichever you choose, make sure to use the same method whenever signing into the account)

3 READ & AGREE TO PERX PRIVACY TERMS

Perx takes privacy very seriously and no personal or health information is shared with any third parties. Before using the app you will need to tick "I agree & consent" on the privacy page in the app.

4 ENTER YOUR REFERRAL CODE

If prompted for a referral code make sure to enter *hepconnect* to redeem your FREE premium access.

Note: if downloading with a patient, enter the unique code provided to you. If you are unsure of the code, email **programs@perxhealth.com**

5 COMPLETE THE APP TUTORIAL

Complete our step-by-step tutorial in the app to set up your first task and win your first reward.

If you have any questions throughout the process feel free to message us in the app or by emailing **support@perxhealth.com**
